

## Plantronics Explorer™ Bluetooth® Headsets

### Affordable, easy-to-use wireless freedom for Bluetooth phones

Plantronics offers a three-model series of stylish, lightweight headsets that fuse *Bluetooth* wireless technology with effortless call control for a true hands-free experience. The Plantronics Explorer headsets are easy to use and incorporate all call features—volume, answer/end call, last-number redial, and voice-activated dialing—into one single button. Delivering up to eight hours of talk time, the Explorer headsets provide the convenience you want and the mobility you need to suit your busy, active lifestyle.

- Convenient—access all controls with a single button
- All-day comfort in a sleek, lightweight design—weighs less than an ounce
- Fits comfortably on either ear
- Simple to use—easy to put on and take off, easy to pair, easy to answer calls
- Talk all day—up to 8 hours
- Freedom to roam up to 33 feet from your *Bluetooth* device

**Sound Innovation for missions to the moon. And for everyday life on this planet, too.**

In 1969, a Plantronics headset carried the historic first words from the moon: "That's one small step for man, one giant leap for mankind." Today, we're the headset of choice in mission-critical applications such as air traffic control and 911 dispatch. This history of proven sound innovation is the basis for every product we build—whether it's for work, for home or on the go.
