Registering Your Product and Plantronics Software

Visit plantronics.com/productregistration to register your product online so we can provide you with the best service and technical support.

We also recommend that you install the Plantronics software located at plantronics.com/software. With it installed you can:

• Customize your headset and USB adapter settings to your personal preferences

• Automatically manage your PC multimedia so you never miss a call

• Quickly access links to product support and software/firmware upgrade information

Charge case overview

IMPORTANT *The charge case is placed in deep sleep mode after manufacturing to save power and protect the battery. To wake-up the charge case, plug it into a power source for a minimum of 1 minute. The LED's flash when charging.*
|	
Charge case LEDs; indicates case/headset battery status
Headset: Touch the icon to display the headset battery status
Charge case: Touch the icon to display the charge case battery status
Micro USB charge port

When fully charged, the charge case provides an extra 10 hours of battery life for the headset.

Pair

NOTE *If your phone supports Near Field Communication (NFC), go to **NFC pairing.***
Bluetooth pairing

1   Wearing your headset, power it on. You hear "welcome" in all the supported languages and then "pairing" in the default language. The headset LED flashes red and blue.

2   Activate Bluetooth® on your phone and set it to search for new devices.
   • **iPhone** Settings > Bluetooth > On*

   • **Android**™ Settings > Bluetooth: On > Scan for devices*

   NOTE **Menus may vary by device.*

3   Select "**PLT_Edge.**" If necessary, enter four zeros (0000) for the passcode or accept the connection. Once successfully paired, you hear "pairing successful."

NFC pairing

1   Ensure NFC is on and your phone's display is unlocked.

2   Tap and hold the headset to the phone's NFC tag location until NFC pairing completes. If necessary, accept the connection.
   TIP *Keep an eye on your Smartphone's screen for prompts to start and accept the pairing process.*

   NOTE *The headset's NFC tag is located on the top of the headset. Phone NFC tag locations vary.*

Pair Another Phone

After pairing your headset to your phone, you may want to pair another phone.

1   Power on your headset.

2   Choose:
   • Tap the Voice button ⬭ and say "Pair mode"

   • Press and hold the Call button Ⓒ until you hear "pairing"

3   Activate Bluetooth on your phone and set it to search for new devices.

4   Select "**PLT_Edge.**"
   If necessary, enter four zeros (0000) for the passcode or accept the connection.

   Once successfully paired, you hear "pairing successful" and the headset indicator lights stop flashing.

Select language

Once your headset is paired and connected to your phone, you can change the headset language.

1 Wearing your headset, power it on.

2 Press and hold the Volume up + and down – buttons together until you hear "welcome." The language selection directions repeat in every supported language.
3 Follow the voice-guided prompts to select the headset language.

Charge

It takes 90 minutes to fully charge the headset. The indicator light turns off once charging is complete.

TIP *To reset the accuracy of the talk time prompt, deplete the headset battery then charge fully.*
