Specify Part Number

LA-326

Listen's LA-326 Rack Mounting Kit is designed for the LT-800 Stationary Transmitter or the LR-100 Stationary Receiver / Power Amplifier. The LA-326 allows for single mounting and dual mounting. Also included is a Plexiglas security cover to prevent end-users from making adjustments. A rack mount antenna kit can be ordered separately (LA-125 or LA-126).

Benefits

- Single or dual rack mounting - one mounting kit does it all!
- Includes Plexiglas security cover to prevent unwanted tampering.
- Optional rack mount antenna kit makes remote antennas simple (LA-125 or LA-126)*.

* Will not mount with Plexiglass security cover in place or in dual rack mount configuration.

User Applications

Rack installed sound systems in:

- houses of worship
- boardrooms
- trade shows
- cruise ships
- training facilities
- schools
