

LS-06 7-Person Portable FM System

Configuration

LS-06-072
LS-06-216
LS-06-863

This tour system is a great starting point for organizations that wish to ensure their visitors understand every word. This system is ideal for indoor or outdoor tours of any venue and language interpretation as well.

Highlights

- This tour system is a great starting point for conducting tours and offer language interpretation.
- Superior Audio Quality – 80 dB (70 dB with 863 MHz) signal-to-noise ratio, setting the industry's sound quality standard.
- Minimal interruptions to others not on the tour.
- Easy to use and manage inventory.
- A choice between 57 channels (17 channels with 863 MHz).
- Look & Listen™ LCD shows channel, battery status, and programming information.
- 100 % Digital – Listen receivers are digitally-tuned so transmission won't drift.
- Uses standard alkaline or NiMH batteries.
- Built in SmartCharge™ won't allow batteries to overcharge.
- Limited Lifetime Warranty with hassle-free support.

Accessories

LA-311 16-Unit Portable FM Product Charging/Carrying Case

Store and charge up to 16 portable FM units in this hard sided, locking case. Features easy, drop-in automatic charging. Use to charge units with NiMH batteries

LA-170 Behind-the-Head Stereo Headphones

This behind-the-head stereo headphone is popular with listeners who wear hardhats or are concerned about "headphone hair." The earpieces slip over the ears and wrap around the back of the head.

LA-165 Stereo Headphones

Dual ear, over the head style headphones. Ear cushions are replaceable (see LA-167).
