The Plantronics Voyager™ 510 Bluetooth® Headset: lightweight with superior sound quality
Let's face it, we live in a go-everywhere, do-everything world. When you communicate, you need the freedom to go with the flow—regardless of location, surrounding or activity. The Voyager 510 is the newest Bluetooth headset from Plantronics that meets the demands of a world in flux. Lightweight and comfortable, it provides wireless, hands-free communication not only for your Bluetooth mobile phone, but also for your voice-enabled Bluetooth PDA or laptop.

For more information, contact your local supplier or visit www.plantronics.com/mobileheadsets.

The Plantronics Voyager™ 510S Bluetooth® Headset System: unparalleled versatility in the office
When you spend time both in the office and on the go, you don't want to have to switch headsets. And with the Voyager 510S Bluetooth Headset System, you don't have to. Now you can give your office phone Bluetooth capability so there's no switching between your mobile and office headsets. This “smart” headset automatically knows which device you are using—smart ones! You can take calls from either one at the touch of a button.

Sound innovation for missions to the moon. And for everyday life on this planet, too.

In 1969, a Plantronics headset carried the historic words from the moon: “That’s one small step...” Since then, we’ve set industry standards for headsets from aviation to space travel. Today, we’re the headset of choice in mission-critical applications such as air traffic control and 911 dispatch. This history of sound innovation is the basis for every product we build—whether it’s for work, home or on the go.

Plantronics Voyager™ Series supports Bluetooth v1.2 for maximum compatibility with the latest devices and improved coexistence with other wireless technologies such as Wi-Fi. The series also supports headset and hands-free profiles. As the new benchmark in Bluetooth multipoint versatility, the Plantronics Voyager 510S Headset System lets you seamlessly switch from your office phone to other voice-enabled Bluetooth devices, such as a mobile phone or PDA, without having to switch headsets.

Now your office phone can go wireless.

OFFICE KEY FEATURES AND BENEFITS
Get all the benefits of the Voyager 510 Bluetooth Headset, plus the following:
• Deskphone adapter turns your office phone into a Bluetooth phone.
• Multipoint technology allows you to seamlessly switch between your office phone and your voice-enabled Bluetooth mobile phone, PDA or laptop with the touch of a button.
• “Smart” technology knows which device you are using—enabling you to take calls from either device.
• One headset solution for wireless communication in and out of the office.

MOBILE KEY FEATURES AND BENEFITS
• Lightweight design for all-day wearing comfort.
• WindSmart® provides noise reduction technology for optimal sound clarity.
• Noise-Canceling microphone for superior sound quality.
• Multipoint technology allows you to seamlessly switch between Bluetooth devices.
• One-touch call answer/end, last number redial and voice-activated dialing. *
• Headset folds for easy storage.
• Boom swivels for use on either ear.
• Freedom to roam up to 33 feet (10 meters) from your Bluetooth device.
• Up to 6 hours talk time and up to 100 hours standby.
• Up to 6 hours talk time and up to 100 hours standby.

The Plantronics Voyager 510S Bluetooth Headset:
Everything you need, nothing you don’t.

The Plantronics Voyager 510S Bluetooth Headset is lightweight, smooth and stylish for all-day wearing comfort. You’ll enjoy clear voice transmission and superior sound quality from the Noise-Canceling microphone—it actually reduces background noise. The swiveling boom adjusts for use on your ear, and the convenient flip speaker provides maximum audio reception quality. You’ll find adaptability everywhere you go.

The Plantronics Voyager 510S Bluetooth Headset System—featuring both the wireless Voyager 510 Bluetooth Headset and Deskphone Adapter—allows you to seamlessly switch between your office phone and your voice-enabled Bluetooth device with the touch of a button. This includes your mobile phone, your PDA, even your VoIP-enabled laptop. Whether you are in your office or on the go, the Voyager 510S System’s versatility eliminates the need for multiple products—one headset does it all!

The Plantronics Voyager 510S Bluetooth Headset System: One headset does it all.
Plantronics Voyager™ Series supports Bluetooth v1.2 for maximum compatibility with the latest devices and improved coexistence with other wireless technologies such as Wi-Fi.

The series also supports headset and hands-free profiles.
